# Fat Removal

## Free Consultation for Fat Removal

\$0.00

Speak to the experts at CaviLipo AZ about non-surgical permanent fat removal, facial lifts, contouring, peels, diet coaching, and full body detoxification. We have over 13 years experience and the expertise needed to answer your questions about cavitation fat removal and non-surgical skin tightening.

## Cavitation Only

\$199.00

Cavitation Only is a specialized non-invasive treatment that targets stubborn fat using ultrasound technology to break down fat cells. This procedure is designed to contour the body and enhance overall appearance without the need for surgery or downtime. This is only the cavitation and does not include the speed process of suction, red light, or skin tightening of radio frequency.

## Cavitation Only (Bundle of 6)

\$999.00 or 4 payments of \$249.75 with Vagaro Pay

The Cavitation Only (Bundle of 6) service offers a series of six non-invasive body contouring sessions designed to target and reduce stubborn fat deposits. This treatment uses ultrasound technology to break down fat cells while promoting a smoother, more toned appearance.

## Single CaviLipo "Extensive" Cavitation Fat Removal Procedure \$299.00 or 4 payments of \$74.75 with Vagaro Pay

1 CaviLipo Extensive is a comprehensive fat removal procedure that combines cavitation technology, suction, radio frequency skin tightening, and red-light therapy to achieve permanent results. This service also includes a pre-detox session with lymphatic vibration therapy and an intake assessment to ensure personalized care and optimal outcomes for clients.

## 6 Sessions of CaviLipo Extensive \$1499.00 or 4 payments of \$374.75 with Vagaro Pay

6 sessions of CaviLipo Extensive is a comprehensive fat removal procedure that combines cavitation technology, suction, radio frequency skin tightening, and red-light therapy to achieve permanent results. This service also includes a post-detox session with lymphatic vibration therapy and an intake assessment to ensure personalized care and optimal outcomes for clients.
